Chair

Washington, DC 20515

The Honorable Kay Granger  
Ranking Member  
House Appropriations Committee  
1036 Longworth HOB  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Boys and Girls Clubs of Metro Denver Programming in fiscal year 2023.

The entity to receive funding for this project is the Boys and Girls Club of Metro Denver located at 2017 W 9th Ave, Denver, CO 80204.

The funding would be used for high-quality afterschool and summer programming to 6-18 year-olds within four Boys and Girls Clubs located within Colorado's 7th Congressional District. Programming includes: Power Hour providing one-on-one support with homework; Accelerated Reader and myON for literacy; STEM-based learning; cultural arts; sports leagues; leadership programs; outdoor education; nutrition; field trips and events. Middle schoolers and high schoolers also receive postsecondary preparation and career exploration opportunities. Afterschool programming is an essential need for many working families and single-parent households. Unfortunately, accessing these programs is difficult, especially for families in underserved or historically marginalized communities, and this project seeks to address these issues.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ed Perlmutter  
Member of Congress
