Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for SH 93 Widening and Relocation Design in fiscal year 2022.

The entity to receive funding for this project is the City of Golden located at 1445 10th Street, Golden, CO 80401.

This project would support multimodal improvements to a congested section of SH 93 which is significantly over capacity. The funding would complete construction plans and environmental clearances so the project would be ready to start construction and finish upgrades to this regional corridor.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ed Perlmutter
Member of Congress
