Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Peaks to Plains Trail – Golden to Jeffco Line Segment project in the upcoming surface transportation reauthorization legislation.

The project sponsor for this project is Jefferson County and the project is located along the Peaks to Plains Trail from US 6 in Golden to the eastern county boundary along Clear Creek, Jefferson County, CO.

The funding is designated to enable Jeffco Open Space to make necessary repairs to the concrete trail, improve wayfinding, make needed connections to existing trails, habitat and greenway restoration, and bring this heavily utilized trail segment up to current trail standards.

The project is an appropriate use of taxpayer dollars and would improve trail connectivity between four counties of the Denver metro region and seven cities, with an elevation change of over one mile from the Continental Divide at Loveland Pass to the South Platte Greenway in Adams County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ed Perlmutter
