Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for New Health Clinic Site for Children in fiscal year 2022.

The entity to receive funding for this project is Kids First Health Care located at 4675 East 69th Avenue, Commerce City, CO 80022.

Kids First seeks to renovate space for a new main pediatric health clinic and administrative office site in Commerce City. This upgraded facility will allow Kids First to serve more children, offer more services, and provide care that better suits their medical, mental, and dental health needs. The facility will promote coordination among practitioners to achieve improved patient outcomes, and mental health services will be expanded to serve caregivers and children. The new clinic will be co-located alongside other health, human service and housing agencies to provide a client-centered service delivery model to help ensure access to a comprehensive array of services and promote health equity, address the social determinants of health, and support the overall health, wellbeing and success of CO-7's children and families.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ed Perlmutter
Member of Congress
