The Honorable Kay Granger
Ranking Member
House Appropriations Committee
1036 Longworth HOB
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Northglenn Water Treatment Plant Improvements in fiscal year 2023.

The entity to receive funding for this project is the City of Northglenn located at 11701 Community Center Drive, Northglenn, CO 80233.

The project would replace aging infrastructure at the Northglenn Water Treatment Plant to ensure safe, clean drinking water for its residents. The facility requires numerous filter improvements including automating the filter backwash, adding air scouring to the backwash system, improving the ventilation in the filter control room, updating filter controls and SCADA, sand blasting and painting the filter gallery piping, and replacement of the original valve actuator. Additionally, the project would make improvements to electrical and controls systems and equipment needed to operate the plant.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ed Perlmutter
Member of Congress
