The Honorable Kay Granger  
Ranking Member  
House Appropriations Committee

Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Airport Airfield Lighting Improvements in fiscal year 2022.

The entity to receive funding for this project is Rocky Mountain Metropolitan Airport located at 11755 Airport Way, Broomfield, CO 80021.

This project would replace the Rocky Mountain Metropolitan Airport's aging airfield lighting regulators and backup generator to improve safety for airport operations. The airport has nine regulators originally installed in 1989, with one being replaced in 2001, which supply power for airfield lights and signs and are required for safe navigation and flight during low light and night operations. The backup airfield generator is required to keep navigation lights and signs on if the power to the airport fails and is 55 years old.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ed Perlmutter  
Member of Congress
