Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Savio Family Residential Campus in fiscal year 2022.

The entity to receive funding for this project is Savio House located at 325 King Street, Denver, CO 80219.

Savio will create the first treatment program in the nation that allows a parent needing addiction treatment, their partner, and their children to receive holistic, full-family care in an innovative residential setting in Lakewood, Colorado. The Savio Family Residential Program will intervene when a child is at imminent risk of being removed from their home and placed in foster or group care due to a parent's substance misuse. Six pilot residential townhome units will allow the entire family to remain together during treatment. By treating the entire family, Savio will be utilizing an innovative approach to supporting the most vulnerable families in our community and ending generational cycles of addiction and system dependence.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ed Perlmutter
Member of Congress
